

With the U.S. Armed Forces)

) ss.

At Brussels, Belgium)

Affidavit

Having first been duly sworn, the undersigned affiant makes the following statement:

My name is Colonel Mary V. Perry. I am an attorney on active duty with the U.S. Air Force and am currently assigned as the legal counsel to the Director of the International Military Staff at Headquarters, North Atlantic Treaty Organization (NATO) in Brussels, Belgium. I am the same individual who provided an earlier affidavit (on or about 28 May 2003) concerning the allegations being made against Colonel Gregory P. Holder regarding the paper he wrote for the Air War College seminar in the academic year 1997-98.

I was in the same Air War College seminar as was Colonel Holder in the academic year 1997-1998. I wrote a research paper for the completion of the course and submitted it on or about 1 April 1988. Later that month (the exact date I cannot recall), I received from the Air War College my paper and a writing assignment feedback memo dated 17 April 1988. I have provided a facsimile copy of my graded paper and the feedback memo to Col Thomas Jaster, AFLSA/PR, and to Lt Col Lauren Johnson-Naumann, HQ 5AF/JA (counsel to Col Holder).

I do not recall ever making a copy of my paper for anyone. Moreover, I would have had no reason to provide a copy to Colonel Holder as he had already completed the writing assignment in the first half of the year of the seminar. I am certain that I did not provide a copy of any kind (photo or facsimile) to anyone by the name of Mr. Del Fuoco, as I did not then, nor do I now, know anyone by that name. I am also confident I did not provide a copy of any kind to Mr. Ken Lawson, as I did not know Mr. Lawson until I met him on 5 August 2002 in Washington, DC, on the day of my promotion ceremony to colonel.

Below my signature block are the means by which I may be contacted in the event I may provide any further information on this matter.

Respectfully submitted,

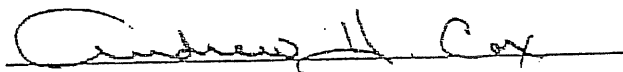

MARY V. PERRY, Colonel, USAF
Legal Counsel

Headquarters, North Atlantic Treaty Organization
Room T-2034
